Virgo and Scorpio

The Ancient Sages divided the Zodiacal Belt into only 10 Signs, and Virgo & Scorpio were esoterically considered a single sign. Children of the earth! Listen to thy instructors, the Children of the Fire! In this delightful garden of Virgo & Scorpio, the 7 Serpents of Fire await to initiate thee into their Great Mysteries. Look, My Child: the Seal of the Heart!

Virgo (the sign of the Celestial Virgin) and Scorpio (the sign of the Sexual Forces), together, are really that marvelous Eden that the Bible tells to us about. This is the Paradise of Virginal human beings, of the Perfect Androgyny. Eden is sex itself. "Come to us, all those who thirst and we shall give thee the Eternal Water of life to drink. Come to us, all weary pilgrims of life and we shall heal thy wounds".

To those who visit our "White Island" we shall give thee three glasses to drink, three delicious Arcana. One is green as the emerald (it is the Sexual Force of the Virgin-Mother, "Isis", Nature). The other is as blue as the sky (it is the Sexual Force of the Kingdom of the Spirit). And the last is like the dew on the leaves at night (it is the Sexual Force of the Absolute). Only those who have thirst, shall be given these three Arcana of Eden, so that they may awaken their 7 Sacred Serpents.

Virgo, Mercury and the Mind

The Constellation of Virgo is the house of Mercury (and the exile of Venus). In Gnostic Kabbalah, Mercury rules the Sephiroth *Netzach*, which corresponds to the Mental World, the kingdom of the Mind. This means that Mercury is related with the Mind and, in Virgo, Mercury becomes Reasoning. Subjective Reason is from the Material Mind, which is also called the 'Animal Soul' since it is the Cave of Desire. <u>One cannot kill Desire without taking it out of its cave, its den...</u>

If someone wants to know the Truth, then clearly they will have to develop Objective Reason in their inner psychic constitution. **Objective Reason has the data of the Consciousness as its foundation.** On the other hand, Subjective Reason has sensorial data as its foundation, it is completely trapped by the five senses.

Imagine a tranquil lake. If you were to throw a stone into that lake, you would see a series of waves coming from the center to the periphery: the Mind works in the same way... If, all of a sudden, you see a pornographic image, then that image passes from the Senses into the lake of the Mind. The Mind then reacts with its waves from the external impact. These waves then knock strongly on our sexual organs, producing sexual excitement which is consumed in copulation.

Subdue the Senses and dominate the Mind so that you may not react before external impacts. <u>The den of the Beast of Desire is in the Mind.</u> The great intellectuals are terribly passionate, vicious and fornicating beings. They have developed the Animal Mind and have it very robust. Evil is so fine in the world of the Mind... Evil is so delicate and subtle in the plane of cosmic understanding, that a lot of Intuition is needed in order not to be cheated by the Demons of the Mental world.

In the Mental World, there are Adepts of darkness (black magicians) who disguise themselves as Adepts of the White Fraternity, and as Mahatmas. They present themselves before us in the internal worlds in order to tell us that we have fallen and that we have failed in our longing for the LIGHT, and that we have lost the degrees that we had acquired, etc. These black magicians have a sublime appearance and an exquisite Spiritual culture. When they speak, they speak only of love, light, truth, and justice...

They appear as ineffable beings and we only discover that they are black magicians when they advise us (in a very fine and delicate tone) to have an orgasm, a spasm, to ejaculate, etc. All these brothers of darkness, who advise seminal ejaculation and orgasm, hate the Christic force. Therefore, if the disciple slips on this 'banana peel', then he or she inevitably falls into the abyss.

The Mind is, then, the most dangerous animal for the Alchemist. When we move under the direction of the Material Mind or Animal Soul in the Physical World, then we create problems for ourselves; we stay imprisoned, suffering the inexpressible. Remember that the Doctrine of the Heart is for authentic Initiates. Whosoever acts only under hunches is happy, will never lack bread, shelter and refuge; will never have problems. Those hunches come through Intuition in the Heart.

Therefore, the Alchemist must not be a slave of the Mind. The Mind must not rationalize subjectively. The mind must integrally flow without the battle of antitheses, the Mind must convert itself into a flexible and delicate instrument through which the majesty of the Inner Being can be expressed. The Alchemist who lets themselves be carried away by the reasoning of their Mind's pride, fails in the Great Work and falls into the abyss. One must be very humble before the Divine Hierarchies, in order not to fail in the Great Work. The Mind must become as a humble and simple child. It must humiliate itself before the Divine Hierarchies and before the majesty of the Being.

Working with the Divine Hierarchies in their Sidereal Temples

If you pray, asking your Inner Being to contact the Divine Hierarchies and to beg them for help, then be assured that the Sidereal Gods will attend your call. The Inner Being can enter and leave the body anytime it wants. He will really enter the Sidereal Temples, do the necessary salutes, and bring the Sidereal Gods to our side, to prepare our body. The Sidereal Temples are within the Consciousness. The planets move, evolve and progress within the Consciousness. The human being is a Zodiac and the Zodiacal Belt is within the Consciousness.

We should learn how to transfer ourselves to the different Stars in order to know people's horoscope. Conversing with the Sidereal Gods, we will know our horoscope (without the need for the Arithmetic Astrology). We need to learn how to manipulate the Sparkle of the Stars in order to heal the sick. One has to learn to work upon the Earth, from the Sidereal Temples. The Age of Aquarius has arrived, and a new lineage reigns: the Age of the "Super-Man" and the "Super Woman" has arrived!

Samael Aun Weor's Practices to Gather the Energy of Virgo

First Exercise:

1. Pray to the Intimus or Inner Being as follows: **"My Father, you who are me myself, you who are my true Being, I beg you to transport yourself to the Heart Temples of the Stars of Virgo, in order to bring the Principal Hierarchies of that Constellation (the Gods of Virgo) to this humble home, so that they may awaken my Virginal Powers and give a special treatment to my Belly".**
2. Cross the hands over the heart and Salute the Guardians of the Heart Temple
   - Bow to the right, inhale and then say 'Jakin', then to the left, inhale and then say 'Boaz'
3. Again pray to the Intimus or Inner Being: **"My Father, take the 7 sacred steps within, towards the interior of the temple, and kneel down at the feet of the Principal Genie of Virgo, begging him to send the Principal Hierarchies of Virgo to awaken my Virginal Powers and to heal my Belly".**
4. Then the disciple pronounces the mantram: **AOM** (4 times).

Second Exercise:

+ Vocalize the vowel "**U**" daily in order to develop the Telepathic Center of the Solar Plexus.
