The Second Birth and the Mysteries of Sex

It is necessary to be born again, to be born of water and the spirit, in order to be able to enter the Kingdom of Esotericism, the *Magus Regnum*. The Great Hierophant Jesus Christ told Nicodemus, "Verily, verily, I say unto thee, except a man be born again, he cannot see the kingdom of God." It is urgent to become Twice-Born in order to have the full right to enter the Kingdom. This matter of the Second Birth was not understood by Nicodemus and neither has it been understood by all Biblical sects. It is necessary to have studied comparative religion and have the Key of the Arcanum A.Z.F. if we truly want to comprehend the words Jesus spoke to Nicodemus.

The different Biblical sects are fully convinced that they really comprehend what to be born again means and interpret it in the most varied of ways, but certainly they do not understand it if they do not possess the Secret Key, the Arcanum A.Z.F. Nicodemus was wise, he knew the Holy Scriptures profoundly and yet, he did not understand and said, "How can a man be born when he is old? Can he enter the second time into his mother's womb, and be born?" Jesus, the Great Kabir then gave Nicodemus a Mayan type of answer, "Verily, verily, I say unto thee, **Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God**."

It is clear that the one who does not have information other than that of the dead letter, the one who does not understand the double significance of the Biblical verses, the one who has never known the Arcanum A.Z.F., interprets these words of the Great Kabir in his own way with only the information that he possesses and believes that with his sect's baptism or something similar, the problem of the Second Birth is already resolved. For the Mayas, the Spirit is Living Fire and they say, "We must unite what is above with what is below, by means of the water and fire."

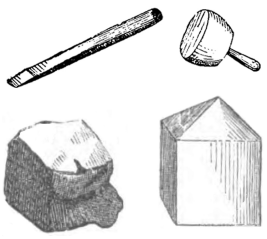

Hindu Brahmins symbolize the second birth sexually. In their Liturgy, a large Golden Cow is constructed and the candidate to the Second Birth has to pass through the hollow body of the Cow three times (by dragging himself) exiting through the vulva and thus remains consecrated as a true Brahman-Dwipa, or Twice-Born, once of his mother and another of the Cow. It is in this manner that the Brahmins symbolically explain the Second Birth taught by Jesus to Nicodemus.

We have already said (in the Lesson of Taurus) that the Cow represents the Divine Mother, but the interesting thing is that the Brahmins call themselves Twice-Born and their Second Birth is sexual. They are born of the Cow and exit from within her womb through the vulva. This matter is very thorny and the Lunar Race mortally hates it. The Lunar Race prefers to kill the Cow and then insult everyone who talks about the Mysteries of Sex and the Arcanum A.Z.F. The Brahmins are not Twice-Born, but symbolically they are. Nor is the Master Mason truly a Master, but symbolically he is. The interesting thing is to reach the SECOND BIRTH and the problem is 100% percent sexual.

The Brute Stone, the Cubic Stone and the Doctrine of Peter

Whoever wants to enter the Kingdom of the Twice-Born, must work with the Brute Stone, chisel it, give it shape (as we would say in Masonic language). It is impossible to roll the Stone, to lift it, if we have first not given it a cubic shape with the chisel & the hammer. Peter, the disciple of Jesus Christ, is the marvelous interpreter, authorized to lift the Stone that closes the Sanctuary of the Great Mysteries.

Peter's original name is PATAR with its three Consonants: P. T. R., which are radical:

P. comes to remind us of the FATHER who is in Secret; of the Fathers of the Gods; our Fathers, Paters or Phitaras.
T. the TAU, the Divine Hermaphrodite, the man & woman sexually united during the act.
R. this letter is vital in the INRI; it is the sacred & terribly divine fire, the Egyptian RA.

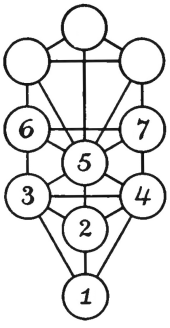

Peter, Patar, the illuminator, is the Master of Sexual Magic. He is the generous Master who always awaits us at the entrance to the terrible path. The religious Cow, the famous Cretan Minotaur, is the first thing that we find in the mystical subterranean tunnel which leads to the Land of the Twice-Born. The Philosopher's Stone of the old medieval alchemists is Sex and the Second Birth is sexual. Without the Doctrine of Peter, the Second Birth is impossible...

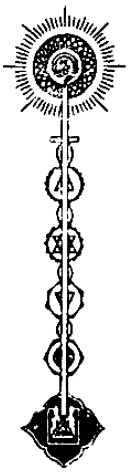

We, the Gnostics, study the Doctrine of Peter. Peter's Doctrine is the Maithuna (Sexual Magic) and Jesus said, "Thou art Peter (rock), and upon this rock I will build my church; and the gates of hell shall not prevail against it." The Key to the Maithuna is the Black Lingam inserted in the Yoni, attributes of the God Shiva, the Third Logos, the Holy Spirit. In the Maithuna, the Phallus should enter the Vagina, but the semen should never be ejaculated or spilled. The couple should withdraw from the sexual act before reaching the spasm, in order to avoid the spilling of the seminal liquid.

Restrained desire will transmute the seminal liquid into Creative Energy. The Sexual Energy ascends up to the cerebrum. This is how the cerebrum is seminized; this is how the semen becomes cerebrized. The Maithuna is the exercise that permits us to awaken and develop the Kundalini, the Igneous Serpent of our Magical Powers. When the Kundalini awakens, it ascends along the medullar canal of the spinal column.

The Sacred Fire of our Divine Mother Kundalini

All the esoteric schools mention Five Initiations of Greater Mysteries. Those Initiations are very intimately related with the Magistery of Fire. The Sacred Fire has the power of fecundating the Sacred Prakriti of the Initiate (the symbolic five-legged Sacred Cow). When the Prakriti is fecundated within the Initiate, then the Solar Bodies are gestated within her womb by deed and grace of the Third Logos. The Solar Race, the Twice-Born, have Solar Bodies. The Sacred Fire, ascending along the Spinal Column, has the form of a serpent. The Sacred Fire has seven degrees of power. It is urgent to work with the Seven Degrees of the Power of Fire. The Sacred Fire of the Kundalini opens the Seven Churches of the Apocalypse of Saint John, which are situated on the spinal column:

1. The 1st Church is Ephesus and corresponds to the sexual organs.
2. The 2nd Church is Smyrna, related with the prostate & uterus, and confers upon us the power over the waters.
3. The 3rd Church is Pergamos, located at the level of the navel, and confers upon us the power over the fire.
4. The 4th Church is Thyatira located at the level of the heart and confers upon us the power over the air and many powers, such as voluntary astral projection, Jinn Science, etc.
5. The 5th Church is Sardis, located at the level of the creative larynx, and confers upon us the power of the Magical Ear or Occult Hearing.
6. The 6th Church is Philadelphia, located at the point between the eyebrows, and confers upon us the power to see the Internal Worlds and the creatures that inhabit them.
7. The 7th Church is Laodicea, located in the pineal gland, confers upon us the power of Polyvision with which we can study the mysteries of the Cosmic Day & Night.

The Igneous Serpent of our magical powers ascends very slowly, in successive order, according to the merits of the heart... "One must descend in order to ascend."
