

Gnostic Runology – The “SIG” Rune and its Practice

<http://www.GnosticStudies.org/Runes>

The “Sig” Rune According to Huiracocha

The SIG Rune signifies Spiritual Power, numerically it corresponds to 11, and its symbol is the S or the Infinite. In Hitler’s Germany, the salute was “*SIEG HEIL*” (meaning “VICTORY” & “SALVATION”, or “VICTORIOUS SALVATION”) which is actually a mantram that the people uttered without realizing it, and which could have been an operation of White Magic, if understood properly.

At the same time that the ancients said SOL (which reminds us of SOL-OM-OM, who is none other than SOLOMON), they also said SAL (which is where the term “SALU”, “SALUTE” or “SAL-UD” meaning “HEALTH/WELL-BEING” comes from). The ancient Romans said “SALVE” (meaning “HELLO, GREETING, HAIL, WELL, and GOOD HEALTH”) and raised their hand in order to make it descend in that zig-zag form. This Rune has the shape of Lightning or a Thunderbolt. There still exist today secret rites where the same movement is executed (which means triumph or victory). No modern mason suspects that their signs of recognition are actually the descriptions of the Runes and that they came from the Druids. In the Druid Lodges these explanations are given up to this day, since there the knowledge is more ancient than in masonry...

The ancient Dukes, the Leaders of the Nobles, carried this Rune as a symbol that (as the disciple will observe) is a Z, the last letter of our alphabet, that is to say the ‘Omega’ to which Jesus refers when saying “I am the Alpha and the Omega or the Beginning and the End”. The Alpha and the Omega of the Runes are the AR and the SIG, because these two Runes contain the Power of all the others. There is much to meditate on regarding the exercises of “A and Z”, of AR and SIG...

All the Runes serve in order to give us good Luck, and we call attention to this in regards to the SIG Rune because it is the one that returns us to good Health (“SAL-UD”). SIG is the Rune that gives triumph, it is the universal seal, the Force that opens up like lightning... After the Initiate has comprehended the meaning of the AR Rune and has become a Child of the Sun (in other words, an ‘ARIO’), then they correspond to Victory, Triumph... Only in this way will you get “SALUD”, that is to say, HEALTH...

Everyone who uses weapons in order to defend themselves, must put this Rune on them. In the previous Rune, we said that the ascension of the SUN occurs with the SIG RUNE. This is because SIG is the Rune of the Sun itself, the CENTRAL SUN, which also has the name of “SULU-SIGI-SIG” as does the Serpent of the Kundalini (the Sexual Force in us). SIG or SIZ (the name that the ancients gave to the Phallus or sexual member) and brings us through Runic Magic back to Sexual Magic. In the present instruction there is much to learn, to read between the lines if the disciple takes the trouble to meditate and to expand on things.

PRACTICE: The practice for this Rune is to pronounce the previous Mantrams tracing Lightning (or the Thunderbolt) with the hand and the index finger extended.... with the mind concentrated on this slogan: “*YO QUIERO VENCER EN TODO. ASI SEA.*” or “I WILL BE VICTORIOUS IN EVERYTHING. SO BE IT.”

With the present course, I can only lightly touch on the great secrets of Runic Magic, which are older and superior to the Kabbalah, and later the occult world (especially the Theosophists) will thank me for having been the first to address these great problems, of which they had no idea, and that Blavatsky herself did not even suspect.

The “Sig” Rune According to Samael Aun Weor

It is indeed difficult to depict the enchantment, the inebriation of ecstasy, the communion of the Saints during nights of meditation. On one such night, the Patriarch JACOB (living Reincarnation of the resplendent Angel ISRAEL), while resting his head upon the Philosophical Stone, read within the stars the promise of an innumerable posterity... And he saw between heaven and earth the mysterious septenary ladder through which all the Elohim are ascending and descending.

To experience what is the Truth, the Real, or ‘THAT’ ...is only possible when we are absent from the “I”. On the day of the LORD, I was inspecting, searching, inquiring into the Mysteries of my own final hour. I saw and heard things which the profane and profaners are not allowed to comprehend. Then, I directly experienced the final stage, the setting of the “I”, the catastrophic ending of ‘Myself’. Thus, I could live the Crucifixion of the INTIMATE CHRIST and the descent into the Holy Sepulcher. The fight against Satan was terrible... Then, my Priestess-Wife sealed my sarcophagus with a large Stone while sweetly smiling, and from the Golgotha of the Father: lightning, thunder and terribly divine voices were heard...

All of this reminds me of the SIG Rune, which is the terrible lightning from the Central Sun and “SULU-SIGI-SIG” which is the secret name of the frightfully sacred viper Kundalini. In ancient times, human beings trembled before the Pentalfa, which is certainly a constant repetition of the SIG Rune. This star resembles the trace of the zig-zag of lightning. In the Archaic Mysteries, SIG was the Phallus, and through it we return to the Maithuna (Sex-Yoga). SIG is the Sun, and its letter is the ‘S’, whose sound (when wisely prolonged) is converted into the subtle voice, into that sweet and pleasant whistle that ELIAS heard in the wilderness.

The Final Initiation is sealed with Lightning, with the SIG Rune, and amongst thunder & lightning these tremendous words are heard: “My FATHER, I Entrust my SPIRIT into YOUR HANDS.” The luminous flaming sword (which threateningly turns in every way in order to keep the way of the Tree of Life) has the dreadful figure of the SIG Rune, and reminds us of the zig-zag of Lightning. “Woe unto the Samson of the Kabbalah if he permits himself to be put asleep by Delilah! The Hercules of science, who exchanges his royal scepter for the distaff of Omphale...” Unhappy is he who permits himself to be seduced by the original She-Devil, the no-name woman, who is a rose of perdition from the infernal abyss. Disgraceful is the Initiate who falls inebriated into the arms of any others who lead us from the Path...

Woe! Woe! Woe to those Initiates who succumb to the fiery kisses, not from many women, but from that symbolic woman who does not try to seduce with the suggestions of mere animal sensation, but with the most delectable arts of subtle sentimentalism and romantic emotionalism. Therefore, it would be better for these Initiates not to be born or for a millstone to be hung about their necks, and that they be drowned in the depths of the sea...

Disgraceful are the ones who instead of rising towards the Golgotha of the Father and descending into the Holy Sepulcher, will be fulminated by the terrible lighting of Cosmic Justice. They will lose their Flaming Sword and will descend into the Kingdom of PLUTO through the black path. The terrible Ray of Cosmic Justice also precipitates those fallen Bodhisattvas who never want to rise again into the abyss.

Every Great Work, any Judgment, is always sealed with the SIG Rune, with the flaming sword. **PRACTICE:** You must seal all of your magical works, invocations, supplications, healing chains, etc., with this Rune. The zig-zag of lightning must be traced with your hand and your index finger extended, while also sounding the letter “Ssssss” as a prolonged sweet and affable whistle. The vowel “S” has a terrific power and when we vocalize it, lightning is produced in the internal atmosphere, which has the power to awaken the Kundalini...

The letter "S" is the SIG Rune and has a terrific power. When we vocalize it, lightning is produced in the internal atmosphere, which has the power to awaken the Kundalini.

The esoteric name of Kundalini is **SULU-SIGI-SIG**. This is also the name of the central sun. Each one of these letters should be vocalized in the following order: **Ssssss Uuuuuu Luuuuu - Ssssss Iiiii Gggggg Iiiii - Ssssss Iiiii Gggggg**.

Every letter must be vocalized, prolonging the sound of each letter, just as we have indicated. It is important to prolong the sound of each vowel. The letter "S" is like a sweet and affable hiss. The Bible speaks to us of this sweet and affable hiss in the following verses:

“And he said, Go forth, and stand upon the mount before Jehovah.
And, behold, Jehovah passed by,
and a great and strong wind rent the mountains,
and broke the rocks into pieces before Jehovah;
but Jehovah was not in the wind;
and after the wind an earthquake;
but Jehovah was not in the earthquake:

“And after an earthquake a fire:
but Jehovah was not in the fire:
and after the fire a still small voice [hiss].

“And it was so, when Elijah heard it, that he wrapped his face in his mantle,
and went out, and stood in the entrance of the cave.
And, behold, there came a voice [hiss] unto him,
and said, what doest thou here, Elijah?” (1 Kings: 19: 11-13)

The "S", as a Mantram, permits us to leave our cave (the physical center) and to enter upon the mount (the astral plane). The disciple must become sleepy while vocalizing the sweet and affable sound of the "S". When the disciple reaches that state of transition between vigil and sleep, then they must rise from their bed and leave the room, going towards the Gnostic Church. Once in the Gnostic Church, we will teach and instruct them in the Divine Wisdom.

However, we must clarify to our disciples that this explanation which we have given must be understood as an immediate action. The student must rise up from their bed, as naturally as would a child who knows nothing of occultism. It is not a mental practice. It is a practice which must be understood as a concrete action, just as when we rise up in the morning in order to eat breakfast.
